American Cinema/American Culture 4th edition ...

The cinema of the United States has had a large effect on the film industry in general since the early 20th century. The dominant style of American cinema is the classical Hollywood cinema, which developed from 1913 to 1969 and characterizes most films made there to this day. While Frenchmen Auguste and Louis Lumière are generally credited with the birth of modern cinema, American cinema soon ...

The Mid-Atlantic accent, or Transatlantic accent, is a purposefully cultivated accent of English that blends together the most prestigious features of American and British English (specifically Received Pronunciation for the latter). Adopted in the early 20th century mostly by American aristocrats and Hollywood actors, it is not a native or regional accent; instead, according to voice and ...
