Blue At The Mizzen Aubrey

The novel *Blue at the Mizzen* is the twentieth and last completed historical novel in the Aubrey-Maturin series by Patrick O'Brian, first published in 1999. It is set after the Napoleonic wars, in the fight for Chilean independence from Spain. Blue at the Mizzen - Wikipedia

As Aubrey and Maturin slow down with age, so do their adventures. And yet regardless of the slackening of excitement and intrigue - elements so prevalent in most of the prior books - I still found *Blue at the Mizzen* enjoyable, partly because I'm so comfortably familiar with the characters and partly because of the beautifully crafted prose. However, if this had been the first O'Brian book I'd ever read, its uneventfulness might have made me shy away from his work.

Although *Blue at the Mizzen* is readable on its own, it is perhaps an injustice to it to do so. The book, as with any one of Patrick O'Brian's Aubrey/Maturin novels, is merely chapter 20 in what is trully an epic. Each volume/chapter is integral; there is not a single weak link in the tale.
