My decision to request Born a Crime has nothing to do with star power or fandom. I have to admit I have never seen Trevor Noah on the Daily Show. I requested this book when I learned it was about Trevor Noah's childhood in Apartheid South Africa. I started reading my ebook galley as soon as I was approved.

An incisive, charming memoir from the host of The Daily Show, Born a Crime details Noah's unconventional upbringing during the dog days of apartheid in South Africa, spotlighting in particular his formidable mother and the illegal basis of his conception. Inspiring and very funny, Born a Crime is a scintillating slice of autobiography.
