Atari 2600 Rarity Guide Search The Atari 2600 is the system most people collect games for. This is likely due to more people owning a 2600 than any other classic gaming system.

### AtariAge - Atari 2600 Rarity Guide Search

The prices of the rare Genesis games listed below in the Sega Genesis price guide are based on a 90-day history from the time that this list was created. If we could not find the price from the past 90 days, then the listed price was pulled from the most recent historical data. The prices we have included represent both loose, complete, and new games.

### The Colecovision Buyer's Guide - IGN

Hoping that the collection of experts and veteran collectors can lend some insight into what the TOP TEN RAREST GAMES for this system. US RELEASES ONLY! I know that the guide is a helpful tool, and I also realize that the order would be somewhat subjective. However, there should be some concensus on what the games are (give or take one or two on the list).
