What is Culturally Responsive Teaching? Culturally responsive teaching is a pedagogy that recognizes the importance of including students' cultural references in all aspects of learning. Traditional teaching strategies emphasize the teacher-student dynamic: The teacher is the expert and adheres strictly to the curriculum that supports standardized tests while the student receives the knowledge. This teaching method is outdated, Childers-McKee says. "Teachers have more diverse classrooms ...

Culturally Responsive Teaching: 5 Strategies for Educators

Culturally Responsive Teaching and the Brain goes on to show how culture is the way that the brain makes sense of the world and forms our world view. We all adhere to two basic cultural archetypes, collective and individual.
