Debussy

Early life. Debussy was born on 22 August 1862 in Saint-Germain-en-Laye, Seine-et-Oise, on the north-west fringes of Paris. He was the eldest of the five children of Manuel-Achille Debussy and his wife, Victorine, née Manoury. Debussy senior ran a china shop and his wife was a seamstress.

Claude Debussy - Wikipedia

Claude Debussy, French composer whose works were a seminal force in the music of the 20th century. He developed a highly original system of harmony and musical structure that expressed in many respects the ideals to which the Impressionist and Symbolist painters and writers of his time aspired.

Claude Debussy - Birthplace, Compositions & Facts - Biography

Achille-Claude Debussy (22nd August 1862 – 25th March 1918) was a French composer. He was one of the most important figures in music at the turn of the 20th century; his music represents the transition from late-romantic to 20th century classical. Debussy's most dramatic contribution to music history was his disregard for traditional chord structures and tonality.
