Listen, read and improve your English! - English in 10 Minutes

Probably the most crucial thing for the success of any of the methods above is consistency - something an English language learner simply cannot lack. Let us put it this way: The time frame of 20 minutes per day is merely an optimal number for better learning outcomes, in general. However, that number may well be 5, 10, or even 30 for some learners, depending on their level.

How to Improve Your English With Only 20 Minutes per Day
