Lean From The Trenches Henrik

With Scrum and XP from the trenches, Henrik wrote one of the most important books in the agile literature. He did not write big theory, he wrote what he did and what worked for him. He did the same for Scrum and Kanban from the trenches. With Lean from the trenches he went a step further, he wrote about one specific project.

Lean from the Trenches by Henrik Kniberg - Goodreads

Lean from the Trenches: Managing Large-Scale Projects with Kanban by Henrik Kniberg. You know the Agile and Lean development buzzwords, you've read the books. But when systems need a serious overhaul, you need to see how it works in real life, with real situations and people. Lean from the Trenches is all about actual practice. Every key point is illustrated with a photo or diagram, and anecdotes bring you inside the project as you discover why and how one organization modernized its ...
