At its most basic definition the practice of law comprises conducting research to find relevant rules of law and then applying those rules to the specific set of circumstances faced by a client. However, in American law, the legal rules to be applied derive from myriad sources, complicating the process and making legal research different from other sorts of research.

Texas Legal Research, Second Edition, is a practical, process-oriented guide to the skills and resources necessary to research Texas law. The book is designed for teaching first-year students, either as a stand-alone text or in conjunction with a research text focusing on federal law.

**Texas Legal Research, Second Edition | RedShelf**

Honorary consuls have an important part to play in the international relations of many states, particularly smaller states and those unable to afford the costs associated with establishing conventional diplomatic and consular missions. While honorary consuls cannot replace traditional diplomats, they can facilitate multiple and deep engagements with political bodies, commercial organisations ...

**Diplomatic Law and Responsibilities for Honorary Consuls ...**

A number of states have moved to expand mail-in voting amid safety concerns about in-person voting during the coronavirus pandemic. Trump has repeatedly attacked the process, claiming without evidence that it leads to voter fraud in an effort to sow doubt about the integrity of the November election. His administration has sued states that are working to expand mail-in voting and blocked ...
