Developing a training manual is an important part in designing a formal training program. A formal training manual ensures consistency in the presentation of the training program. Another major advantage is that all the training information on skills, processes, and other information necessary to perform the tasks is together in one place.

MINISTRY MANUAL - Community Bible Study

This is the manual I developed in my ministry for training elders.
I do not claim that it is the definitive training manual for training
elders. I am sure it could be greatly improved. But I offer it as
something God was graciously pleased to bless in our church. I
hope it might be useful to you.

The Stephen Minister Training Manual is the primary resource Stephen Ministers use during their initial training and continuing education. It contains Pre-Class Readings and outlines for each training module. The two-volume manual combines the latest principles and practices for effective caring with timeless biblical truths that guide how we minister with Christ's love. Filled with knowledge, wisdom, and skills, it's a resource that Stephen Ministers will keep coming back to throughout ...
