Map multiple locations, get transit/walking/driving directions, view live traffic conditions, plan trips, view satellite, aerial and street side imagery. Do more with Bing Maps.

Bing Maps - Directions, trip planning, traffic cameras & more

Even in these social-distanced days, we keep in our heads a map of our relationships with other people: family, friends, co-workers and how they relate to each other. New research from the Center for Mind and Brain at the University of California, Davis, shows that we put together this social map in much the same way that we assemble a map of physical places and things.
