this one. Merely said, the mikrotik certified network associate study guide is universally compatible in the same way as any devices to read.

You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles.

Mikrotik Certified Network Associate Study
