Mori Seiki Control Questions (options on MAPPS IV?) I've had a hard time deciphering from the quote and the various online material what exactly comes with the control and what are options. The quote includes 6 months "free" of their MfgSuite, which seems to bundle on-control Esprit CAM software and things like collision avoidance ...

### Mori Seiki Control Questions (options on MAPPS IV?)

Mori Seiki's MAPPS front end is PC based and card compatibility is different than Fanuc controls. I have made a MAPPS update card but it was not easy. Most of my testing was on MAPPS II and MAPPS III hardware that used Windows XPE as the O/S but the Mori Cards from the MAPPS I days were later used for MAPPS II and now MAPPS III so the format stayed the same.

### Mori Mapps PCMCIA(compact flash) format to reload Mapps ...

We are looking at several lathes and would like to know if anybody has a Mori Seiki Mapps III control? ... Nakamura-Tome and Okuma make the only CNC turning centers worth talking about. When you get into smaller stuff companies like Tsugami come into the mix for sure, but for an 8" or 10" machine Nakamura and Okuma will crush all comers. ...
