Success in network marketing requires action, and action requires belief. And the best way to motivate or to get anyone to find the belief that they can do it is to show them by doing it yourself. Your team will look at you as their leader and their belief in themselves and their ability to produce revolves around your action and results.

How To Motivate Your Team In Network Marketing - Matt Morris

There are two sources of motivation and can be apply to network marketing downline motivation: Intrinsic and Extrinsic. Intrinsically motivated behavior is behavior that is performed for its own sake; the source of motivation is actually performing the behavior, the motivation comes from doing the work itself.

Network Marketing Team Motivation - How To Motivate Your ...

The majority of people looking for motivation will wait for something, or someone, to come around and motivate them before they can get up and take action to motivate themselves.. This is the wrong approach. I operated with this "motivation comes before action" mentality for years before finally realizing that I had it all backwards.

Action Leads to Motivation (not the other way around)

Action and Motivation. Action isn't just the effect of motivation, but also the cause of it. Most people only commit to action if they feel a certain level of motivation. And they only feel motivation when they feel an emotional inspiration. People only become motivated to study for the exam when they're afraid of the consequences.
