Last week @nancywilson was interviewed talking Heart and music for the Biography: I Want My MTV. The biography charts the rise of a cultural phenomenon that came to define a generation: MTV. What started during the nascent days of cable television as a scrappy, playful music video lineup, rapidly evolved into a reflection of American youth culture.

### Heart Official Website

Heart rose to fame in the mid-1970s with music influenced by hard rock and heavy metal, as well as folk music. The band's popularity declined in the early 1980s but they began a successful comeback in 1985 which continued into the mid-1990s, releasing several hard-rock songs and ballads. Heart disbanded in 1998 then resumed performing in 2002.

Released in the middle of a decade that made Heart's earlier material irrelevant to most mainstream audiences, Heart found themselves back on the map in a huge way. Their debut, 1976's Dreamboat Annie, had established a band who could flaunt their ability to play hard rock and folk rock and mix things like moogs and flutes into their music.

As far as the music itself, this is a solid effort, and was Heart's biggest seller, going 5X Platinum (per Wikipedia). It was a departure from the band's earlier albums, as they went through a change in record label, and with that came a new producer (Ron Nevison), new sound (heavier use of synth; less use of acoustic guitar) and new songwriters (emphasis on outsiders instead of the Wilson sisters).
