Musical symbols are marks and symbols used since about the 13th century in musical notation of musical scores. Some are used to notate pitch, tempo, metre, duration, and articulation of a note or a passage of music. In some cases, symbols provide information about the form of a piece (e.g., how many repeats of a section) or about how to play the note (e.g., with violin family instruments, a note may be bowed or plucked).
