## **review: Opening Minds: Using Language to Change Lives**

1. *Opening Minds: Using language to change lives*. Peter Johnston, The University at Albany-SUNY PJohnston@Albany.edu. The following is a guide to the key points in my talk. These points and all transcripts and some cartoons are in my book *Opening Minds: Using language to change lives*. Much of my talk expanded on Vygotsky's (1978) observation that "Children grow into the intellectual life around them" and his observation that cognitive growth is "more likely when one is required to ...

...

Use language that points out the ways that students are changing. "Remember how we did this at the beginning of the year...", "Have you learned a new way to solve this problem?", "Do you notice how we have increased our reading stamina?", etc. Use language that gives students a sense of agency or control over their own learning.
