Sound-Rage: A Primer of the Neurobiology and Psychology of ...

In 2013 I wrote the book "Sound-Rage. A primer of the neurobiology and psychology of a little known anger disorder." It was the first book on misophonia, and it was written after a year of research and interviews. In that book, I theorized that the brain of the person with misophonia is neuro-atypical. In other words, the disorder is not a ...
