Debra Simmons and Matt Bryan interviewing Jill Whalen about her new book, Victim of Thought: Seeing Through the Illusion of Anxiety.

Victim of Thought: Seeing Through the Illusion of Anxiety

But if you have a victim mentality, you will see your entire life through a perspective that things constantly happen 'to' you. Victimisation is thus a combination of seeing most things in life as negative, beyond your control, and as something you should be given sympathy for experiencing as you 'deserve' better.

The Victim Mentality - What it Is and Why You Have It

The psychos rob their victims of a shred of privacy: They can see you at all times, day and night, hear your conversations, read your email correspondence (including your business account numbers and passwords), and even monitor your thoughts.

Most victims do the opposite, and placate and appease an abuser to deescalate tension and the risk of harm. It rarely works, and abuse typically continues. The Truth About Violence

The Truth About Abusers, Abuse, and What to Do ...

Why Seeing Yourself as a Victim is a "Thinking Error" Victim thinking is actually part of a broader range of what we call "thinking errors". There are errors in thinking just like there are errors in math and spelling. Someone may spell a word or solve a math problem a certain way and get the wrong answer.

Victim Thinking: Why Seeing Yourself as a Victim is a ...

Instead of being a victim of circumstances where we think that our perception is formed FROM the things that have happened to us, we take back control of our lives and change the lens on our cameras. We instead come to realize that we see things as WE are and not as THEY are and if we don't like how something has happened all we need to do is change our perspective of the situation.

Changing Perspectives: Choose to View Life Through a ...

Individuals with a victim mentality may have had the victim way of thinking modeled for them by their caregivers; especially if they had a parent with a mental illness or addiction. Children raised by parents with mental illness or addiction are often victims of abuse and/or neglect which makes them feel like the world is not a safe place.
